You must pay the license fee and register your copy to continue to use the Software after the thirty (30) day evaluation period. To pay the license fee and register your copy, you should visit www.globalscape.com or an authorized sales agent.   For so long as the Software is the most current version of CuteFTP Pro distributed by GlobalSCAPE, you may give exact copies of the evaluation Software to anyone. Registered Copy. When you purchase a license, you will be provided with a registration number. The Transfer Engine remains subject to this license, but GlobalSCAPE does not claim any rights in any program or script you create to control the Transfer Engine through its Component Object Model interface. You may use a program into which you have incorporated the Transfer Engine only on those computers for which you have a license to use CuteFTP Pro, and you may not transfer or distribute such a program to any third party. If you wish to use the Transfer Engine on a computer on which you are not licensed to use CuteFTP Pro, or you wish to distribute the Transfer Engine to third parties, you must obtain a separate license for the Transfer Engine Software Development Kit.
